

International Faculty Development Course

IFDC Follow-up & Trial Experience Course

24 April 2025 | 9:30 - 15:20 (Thailand Standard Time)
@ Zoom

This course is a follow-up course for previous participants of (TMDU IFDC presents-CU-TMDU Geriatric Dentistry Course) and offered as a **one-day session led by Institute of Science Tokyo faculty**. These experts are recognized for their contributions to international dental journals and presentations at global conferences.

Participants will have the opportunity to see their peers' presentations about clinical cases or research projects and receive personalized consultations and guidance on them from our faculty, which might be useful for their careers.

Please note: This course targets former IFDC/EECD participants, while welcoming newcomers to experience IFDC.

※One of the presenters has changed from Dr. Watcharasak (Prosthodontics) to Dr. Orapin (Prosthodontics) as of February 26, 2025.
